Fruity

Finesse

Roundness

Potential :
4 years

13% vol.

Tasting notes

A rich color with hues of gold and iodized notes present a nice balance between the roundness conferred by the barrel aging and the natural freshness of the grapes. The saline finish signs this wine and reminds its islander terroir.

Food pairing

Immergée blanc will go perfectly with a seaweed tartar with roasted hazelnuts, a seabass ceviche with citrus fruits, Salicornia and grated horseradish or a platter of aromatic cheeses such as Beaufort or Comté.
